7.	Description of process for obtaining a service	<ol style="list-style-type: none"> 1. The applicant submits application by logging both as individual (FA) and legal person (JA) and choosing “submit application”. 2. The applicant shall initiate the filing of the application. The form fields are provided depending on the service selected and who submits the request. Some of the fields of the application are filled in automatically. Autofill information cannot be modified by the applicant. Fields not filled automatically shall be filled in manually by the applicant. 3. The information filled out in the application (both filled in automatically and manually) is used to form the application document. 4. The application submitted to the specialist shall be accompanied by additional related information, e. g. legal form of the legal entity received from register of legal persons (JAR). 5. After reviewing the submitted application and the information related to the application, the specialist of the Control authority shall make a decision on the application: to inform about the positive decision; to inform about a negative decision; to inform of any necessary adjustment. 6. If the specialist of the Control authority chooses to inform the applicant of the necessary adjustment, he shall indicate which details need to be corrected. The information entered in the applicant's application may not be corrected by a specialist of the institution. The application must be adjusted within the deadline set for revising the request.

		<p>7. If the specialist of the Control authority has decided that the application should be revised the task of revising the application shall be sent to the applicant. The applicant may correct only the data of the application which is requested to be corrected.</p> <p>8. If the specialist of the Control authority chooses to inform the applicant of the positive or negative decision, the information on the positive or negative decision shall be provided.</p>
